Back-End: Ruby, Rails, PostgresSQL

Tools & Methods: Git, GitHub, Heroku, Netlify, Mobile/Responsive Development, RSpec, TDD, Chrome Dev Tools**Professional:** Remote Pair-Programming, Teamwork, Mentoring

EXPERIENCE

HIGHLIGHTED PERSONAL PROJECTS   September 2022 – Present

Budget App — This is a budget app to help you track your expenses by the categories.
- Built with: Ruby on Rails, Tailwind, PostgreSQL. GitHub repo

BookStore — This is a single-page app that allows users to perform all the CRUD functionalities. I built Rails API, especially for this project.

- Built with: React, Redux, Rails API, and CSS. GitHub repo

FakeStore — This is a web application that provides information on each product of the store.
- Built with: React, Redux. GitHub repo

MICROVERSE   Remote
Professional Projects' Reviewer, Part-time   February 2022 – Present
- Reviewing more than 30 professional skills projects in a week.
- Proposing improvements and changes to improve students' profiles on all platforms.
- Helping students by giving them support and creative ideas.

Unilab Tbilisi   Georgia

Front-end Developer Intern   December 2021 – March 2022

- Worked on real-world projects in a collaborative environment and improved presentation skills.
- Collaborated with the Project manager, designers, and front-end developers' team.
- Proposed improvements to code organization to improve code quality and overall performance.

EDUCATION

MICROVERSE   September 2021 – May 2022
Remote Full-stack Web Development Program, Full Time.
- Spent 1000+ hours mastering algorithms, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.

Free University of Tbilisi

International Relations, Middle-East studies   September 2013 – July 2017

- Demonstrated great skills in acquiring new languages: Arabic, and French.
- Took an active part in interdisciplinary interactions within the university and was awarded as one of the best presenters at the conference.
